

Charles Schwab's Guide to Financial Independence: Simple Solutions for Busy People

Filesize: 6.51 MB

Reviews

This publication is fantastic. We have read through and i am certain that i will planning to read yet again yet again down the road. You wont feel monotony at at any time of your respective time (that's what catalogs are for concerning when you request me).

Crown Publishers, Inc., New York, New York, U.S.A., 1998. Hard Cover. Book Condition: New. Dust Jacket Condition: New. First Edition. Previous owner's name on first page. Schwab, founder of the discount brokerage firm, has written a beginner's guide to investing. He explains the importance of investing and presents worksheets to help determine personal investment goals and risk tolerance. Schwab briefly explains various types of investments and how they have performed over time. His overall advice is to invest long-term for growth through a diversified portfolio of stocks and stock mutual funds both in the United States and overseas. Some of his examples and advice naturally favor Charles Schwab offerings, but the book is generally objective. As a beginner's guide, it gives a lot of information in a few pages, but an appendix lists additional sources of information (including web sites), and there is a fairly extensive glossary.
