Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

MANAGING THE PROFESSIONAL SERVICE FIRM (NEW EDITION)

Simon & Schuster Ltd. Paperback. Book Condition: new. BRAND NEW, Managing the Professional Service Firm (New edition), David H. Maister, Professional service firms differ from other business enterprises in two distinct ways: first they provide highly customised services thus cannot apply many of the management principles developed for product-based industries. Second, professional services are highly personalised, involving the skills of individuals. Such firms must therefore compete not only for clients but also for talented professionals. Drawing on more than ten years of research and consulting to these unique and creative companies, David Maister explores issues ranging from marketing and business development to multinational strategies, human resources policies to profit improvement, strategic planning to effective leadership. While these issues can be complex, Maister simplifies them by recognising that 'every professional service firm in the world, regardless of size, specific profession, or country of operation, has the same mission statement: outstanding service to clients, satisfying careers for its people and financial success for its owners.'
