

## There Was and There Was Not: A Journey Through Hate and Possibility in Turkey, Armenia, and Beyond

Filesize: 4 MB

### ***Reviews***

*This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.*

*(Juliet Mertz)*

## THERE WAS AND THERE WAS NOT: A JOURNEY THROUGH HATE AND POSSIBILITY IN TURKEY, ARMENIA, AND BEYOND

Metropolitan Books, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "A remarkable memoir. A moving examination of the complex forces of ethnicity, nationality and history that shape one's sense of self and foster, threaten or fray the fragile tapestry of community." Kirkus Reviews (starred review) "In this courageous and candid memoir, Meline Toumani reflects on what it really means and does not mean to come into the inheritance of a tragic past; on the complex feelings involved in confronting a historical enemy and Other; and on what we owe and do not owe to our collective identities, and what to ourselves. Writing with precise insight and wit, Toumani addresses issues that weave through traumatic histories everywhere, and that continue to concern us all." Eva Hoffman, author of *After Such Knowledge: Memory, History and the Legacy of the Holocaust* "Meline Toumani has written an unusual book: courageous, intriguing, and at moments, despite its subject, unexpectedly funny. And her determination to understand and put behind her a century of hatred has echoes for more peoples than just Turks and Armenians." Adam Hochschild, author of *To End All Wars: A Story of Loyalty and Rebellion, 1914-1918* "I read Meline Toumani's original and audacious book with admiration, first for the grainy pleasures of her narrative, the raw energy of true encounters, and perhaps even more for her nerve and seriousness in trying, as an Armenian-American woman, to find a path between the often-self-defeating absolutism of her own Armenian community and the Orwellian evasions of most contemporary Turks when asked to acknowledge the plain act of long-ago genocide in plain language." Michael J. Arlen, author of *Passage to Ararat* "This is a brave book, deeply intelligent and elegantly readable, providing a much needed fresh point of view. Anyone genuinely interested..."
