It should be said. is written in an overly ambitious plan. Not to mention that in comparative education is far from being reached consensus worldwide research object. the field and scope. just take all the developed countries of the West. even if we abandon developing countries is the research content of the book. still need a lot of different countries other scholars to work together to complete. Obviously. it is limited to the present study field of study and the strength of the team. and we can not afford such a huge task. For various reasons. this book just select the two countries. Japan and the United States as to research and write the content. Even if the purpose of the two countries. the scope of the study of the book is not just...
