CBS Publishers & Distributors Pvt. Ltd., 2011. Softcover. Book Condition: New. Experiment is a must for clear understanding of basic physical principles of physics. Keeping this in mind the book presents in a clear and systematic manner a series of interesting experiments in physics covering syllabi of B.E. B.Tech., AMIE and other technical courses of Indian and other universities. The theory and the procedure for each experiment are described thoroughly. At the end of each experiment many short questions-answers are given for the viva voce. The subject matter is presented in a clear but concise way in a lucid language, with all requirements and tables for recording experiments. Wherever possible, standard results are provided for comparison. The book is also useful for B.Sc. Students. Printed Pages: 158.
