Createspace, United States, 2013. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****.Are you prepared to survive in a shelter-in-place emergency situation? Well, are you? If you are, pat yourself on the back. You re a step ahead of most people. The average citizen turns a blind eye to disaster preparedness and is largely unprepared to handle all but the most minor of emergency situations. Do you really want to take a chance that could cost you and your family your lives? The first thing most victims say is, I never thought it would happen to me. Don t be caught unprepared when an emergency strikes that forces you to take refuge in your own home. The time to get ready for a crisis situation is now. Wait until the last minute and you ll be forced to pay top dollar for food, water and supplies, if you can find them at all. If not, you ll be forced to scavenge for scraps or beg for help, along with hundreds of thousands of others who couldn t be bothered to prepare. The following topics are covered in this helpful and easy to read book: What hunkering down is and why it s preferred over bugging out.The disasters you should start prepping for.The most common type of disaster. HINT: It s the one people are least prepared for.Bugging out vs. bugging in.The meaning of normalcy bias and how it can get you killed.Questions you need to ask yourself in an emergency situation that will help you determine the best course of action.The 5 plans you need in order to survive.Building a Get Home Bag that will give you the best chance of making it home if a disaster occurs while you...
