

## Highland Myths and Legends (Paperback)

By George W. MacPherson

LUATH PRESS LTD, United Kingdom, 2004. Paperback. Book Condition: New. 176 x 110 mm. Language: English . Brand New Book. Storytelling is a traditional art form which has survived through the centuries and is still being enjoyed today. These tales of Celtic Heroes, Magicians and Vikings were originally told around 200 AD, and have been passed down orally, often verbatim, through generations of storytellers. The oldest Gaelic storybook, dating 260 AD, is preserved in the Housemann Museum in Switzerland and contains many of the stories which are recounted today. The whole idea of the preservation of the Scottish culture is at the root of this fascinating tradition, with established storytellers taking on apprentices until the Disarming Act of 1746 made it difficult and dangerous to do so. Storytelling became family centred. This collection of stories convey the imagination, hopes, fears, and passions of an ancient people. The personalities and culture of people long gone are brought to life by the storyteller s words.
