Even within the Christian community itself, there exists a potpourri of conflicting definitions as well as comfortable traditions. In today s world, claiming Christianity is not a guarantee that one is Christian. In Claiming Christ in the 21st Century, author Kevin Graham would like to invite you back to biblical foundations to see what God records about true followers of Jesus. Genuine identity is confirmed by the fruitful evidence of Jesus living throughout a person. Come verify your own claims and bask in freedom from common religious scarecrows. By the grace of God, Claiming Christ in the 21st Century: Finding Identity in the Fine Print will erase any vestige of spiritual uncertainty in how the Word of God applies to you today. Filter out the stigmatism of what Bonhoeffer denounced as cheap grace and step into the light of what Scripture confirms as the meaning of Christians dwelling in him.
