

Oracle E-Business Suite Financials Handbook (3rd Revised edition)

By Ben Prusinski, Gustavo Gonzalez

McGraw-Hill Education - Europe. Paperback. Book Condition: new. BRAND NEW, Oracle E-Business Suite Financials Handbook (3rd Revised edition), Ben Prusinski, Gustavo Gonzalez, This fully updated Oracle Press guide covers the major considerations in managing the new Oracle Financials 12 installation, customizing the product, converting from a legacy system to Oracle Financials, and operating in a live environment. Oracle E-Business Suite Financials Handbook, Third Edition is based on the latest release of Oracle E-Business Suite 12-an integrated product made up of more than 150 software modules for financial management, supply chain management, manufacturing, project systems, human resources, and customer relationship management. The new edition of this popular title focuses on those application modules that are oriented toward financial management. Co-written by an Oracle ACE Director and an Oracle Certified Expert, this substantial book introduces you to the business requirements addressed by each financial package and describes how the packages meet those requirements. It offers fundamental accounting principles to those without any accounting background. The book covers the major considerations in managing an Oracle Financials installation, customizing the product, converting from a legacy system to Oracle Financials, and operating in a live environment. Focuses on the new features and functionality of the...
