Harpercollins US Jul 2011, 2011. Taschenbuch. Book Condition: Neu. 6.75 in. Neuware - Secrets of the Millionaire Mind reveals the missing link between wanting success and achieving it! Have you ever wondered why some people seem to get rich easily, while others are destined for a life of financial struggle Is the difference found in their education, intelligence, skills, timing, work habits, contacts, luck, or their choice of jobs, businesses, or investments The shocking answer is: None of the above! In his groundbreaking Secrets of the Millionaire Mind , T. Harv Eker states: 'Give me five minutes, and I can predict your financial future for the rest of your life!' Eker does this by identifying your 'money and success blueprint.' We all have a personal money blueprint ingrained in our subconscious minds, and it is this blueprint, more than anything, that will determine our financial lives. You can know everything about marketing, sales, negotiations, stocks, real estate, and the world of finance, but if your money blueprint is not set for a high level of success, you will never have a lot of money-and if somehow you do, you will most likely lose it! The good news is that now you can actually reset your money blueprint to create natural and automatic success. Secrets of the Millionaire Mind is two books in one. Part I explains how your money blueprint works. Through Eker's rare combination of street smarts, humor, and heart, you will learn how your childhood influences have shaped your financial destiny. You will also learn how to identify your own money blueprint and 'revise' it to not only create success but, more important, to keep and continually grow it. In Part II you will be introduced to seventeen 'Wealth Files,' which describe exactly how rich people think and...
