Harlequin (UK). Paperback. Book Condition: new. BRAND NEW, Sweet Rains, Nora Roberts, #1 "New York Times" and "USA TODAY" bestselling author Nora Roberts presents two classic stories of love that arrives like a storm and changes everything. "Second Nature" Lee Radcliffe got the scoops that no one else did, the interviews nobody could score. Like bestselling horror writer--and notorious recluse--Hunter Brown. But she never expected that when she met the rugged, intense author, "she'd" be the one getting all the hard questions and revealing more of herself than she'd ever dared. Or that he would show her a different way to live, and ultimately, to love. "Lessons Learned" Carlo Franconi embodied everything that Juliet Trent avoided in a client--he was arrogant, seductive, passionate and entirely too charming. But Juliet prided herself on being the consummate professional. Surely she could resist the famous chef, even if they were going to be spending every waking minute together. Even if Carlo was looking at her like a fine dish he just couldn't wait to taste.
