Description With the gradual deepening of China's reform and opening up and economic development by leaps and bounds. the quality of the living environment. saying chemotaxis improve. In recent years. the landscape industry driven by the development of the real estate industry and emerged as the new hot spot in the domestic design industry. Landscape can be broadly divided into two categories. one is the soft landscape. such as flowers and trees. water. green space; hard landscape. such as flooring. walls. Tinglang. Both soft landscape. hard landscape design details are important. Good landscape detail not only integrate harmoniously into the surrounding environment. which. but there is a strong contrast function. or even can play the role of the finishing touch. Although good detail does not necessarily constitute a good landscape as a whole. but a good landscape as a whole is...
