The House Studio. Paperback. Book Condition: New. Paperback. 224 pages. Dimensions: 8.9in. x 6.0in. x 0.6in. At last! A book that interprets the challenges of campus ministry through a distinctly missional lens. This is an intensely practical and theologically substantial orientation on what it means to do college ministry. Alan Hirsch, Author of *The Forgotten Ways*, *Untamed*, and *Right Here, Right Now* The future of the world is being decided right now on college campuses. Anyone interested in being the sent ones to the non-church culture will benefit from reading this book. Reggie McNeal, Author of *Missional Renaissance* and *The Present Future* This fascinating book should be considered essential reading for anyone involved in this particular mission field. This is game-changing stuff. Byron Berger, *Hearts and Minds Books* This book is a wake-up call for the campus ministries and churches that are failing miserably to engage emerging adults. Mark Holcomb, University Chaplain, Olivet Nazarene University As someone who has ministered to university students in the American South for fifteen years, I cannot thank Steve enough for this book. This is a rare work of theological depth, sociological candor and methodological wisdom. It is a call to personal renewal for those involved in campus ministry and a field guide for the public reclamation of our campuses for the glory and fame of God. You will not be able to put this down! -Matt Adair, Lead Pastor, Christ Community Church, Athens, GA; regional coordinator, The Acts 29 Network Every once in a while you run across a book that is so on target that you just can't put it down. This is one of those books! *College Ministry in a Post-Christian Culture* is a must read for anyone wanting to reach today's college students with the good news of Jesus Christ! This book is poised to assist...
