Brand New Book ***** Print on Demand *****.Army Techniques Publication ATP 1-05.01 Religious Support and the Operations Process May 2014 provides doctrinal guidance on planning for religious support using the operations process. It describes the integration of religious support planning with the unit planning cycle. The principle audience for ATP 1-05.01 is chaplains and chaplain assistants assigned to operational units who deploy to execute decisive action. It is also applicable to Unit Ministry Teams and chaplain sections that provide support to operational units as part of their overall mission. Trainers at combat training centers and educators throughout the Army will also use this publication. Commanders, staffs, and subordinates ensure their decisions and actions comply with applicable United States, international, and in some cases, host-nation laws and regulations. ATP 1-05.01 applies to the Active Army, Army National Guard/Army National Guard of the United States and the United States Army Reserve, unless otherwise stated. ATP 1-05.01 describes the planning process for religious support execution, using the operations process (plan, prepare, execute and assess). Religious support planning must be detailed and integrated in order to support the diverse...
