The Hidden Wisdom of the Goddess

By Devadatta Kali

Motilal Banarsidass Publishers Pvt. Ltd., New Delhi, India, 2010. Softcover. Book Condition: New. First Edition. The Hidden Wisdom of the Goddess is an extended meditation in the form of a novel that follows the Devimahatmya's basic outline, condensed here and expanded there in freely imaginative ways. In the Devimahatmya the seer Medhas teaches through the language of myth, which cries out for interpretation, because little is spelled out. The Hidden Wisdom to the Goddess communicates the hidden wisdom of the holy man's teachings simply, directly, and eloquently. Most of the book consists of newly invented scenes, incidents, and conversations between Medhas and his two disciples, the king Suratha and the merchant Samadhi. As the book progresses, the main characters become fleshed out and take on a life of their own. All the while, the writing probes ever deeper into the mysterious of human existence. Printed Pages: 244.

Reviews

Extremely helpful for all class of people. We have read through and that i am confident that i am going to going to read through again again down the road. Its been designed in an exceedingly basic way in fact it is simply following i finished reading this pdf in which in fact altered me, alter the way i think.

-- **Noel Stanton**

Absolutely one of the best pdf We have ever read. I really could comprehended every little thing using this written e book. I am easily could get a satisfaction of reading a written publication.
