## CHEMISTRY EXPERIMENT (AGRICULTURAL AND FORESTRY COLLEGES OF HIGHER TEXTBOOKS)

paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Pages Number: 280 Publisher: China Agricultural Science and Technology Pub. Date :2008-08-01 1 1st printing edition 2008-08-01 This textbook seeks to reflect the higher forestry professional features. the main line to the experimental technique. selection of teaching materials. and strive to have a high ideological. scientific. advanced and practical. In the preparation method. has changed the traditional to the experimental compilation of the main line of the project. while the use of an experimental method and means for clues to the basic preparation methods. Each section first describes the basic principles. the basic equipment and basic operation. together with the corresponding experimental projects. Increase the comprehensive content and design of experiments. In the experimental methods described. emphasizing the knowledge. integrity. and in the experimental arrangement of the project. close to the actual agricultural and forestry production to minimize the use of expensive and toxic reagents. the project seeks to test green reagent device miniaturization. Contents: Chapter 1 Introduction Section I Section II chemical experiments aim of the course requirements of the course of chemical experiments in the chemistry experiment III measurement. data recording and expressed the experimental results of chemical test results in Section V Lab Assessment Safety and Environmental Protection Chapter II the basic operation of chemical experiments in the laboratory section II common understanding of commonly used containers for washing and drying apparatus III heating. cooling and drying technology access of chemical reagents Section V Glazier experimental drilling operations and a simple plug glaziers operation and bottle assembly elements and their compounds in the third chapter the basic operation of experimental two experimental section alkali metal and alkaline earth metals the nature of the experiment three common...
