Candlewick, 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: A piercingly intelligent foray into chapter books for big sisters and Baby Boys adjusting to each other. A real slice of family life, the sweet with the bitter. Kirkus Reviews (starred review) Lindgren Awardwinner Hartnett has been writing for younger and younger readers in recent years, but whether her audience is teenagers, middle-graders, or now chapter-book readers, she remains willing to expose humanity's more selfish and destructive tendencies, while handling such themes in a way that's on-target and appropriate for her audience. Publishers Weekly (starred review) Hartnett adeptly conveys the pain and loneliness of an older sibling facing a monumental moment of change and captures what growing up really means to a child. This joyful choice for reading aloud serves as a discussion starter on coping, acceptance, and maturity, and as an instruction manual on personal narratives. There are myriad ways to appreciate this pitch-perfect story. School Library Journal (starred review).
