A Full-Length Novel The Crypt (Sarah Roberts Book Three) Sarah Roberts is in Budapest searching for a weapon. During her time there, she notices a strange man wearing a fedora following her. Before she can find out who he is, she gets arrested. After her release from the Hungarian jail, she is ordered out of the country. The man in the fedora shows up at her Budapest hotel before she has a chance to leave for the airport. He is from a psychic research organization and he wants to take her back to the States with him to further understand her automatic writing abilities. When Sarah refuses to go, she is informed that she does not have a choice because she is now property of the United States government. While Sarah remains in Hungary after her deadline and then travels to Italy in a struggle to locate Armond Stuart, she has to keep the fedora-wearing American and his ten-man team off her back. The only way to escape their reach is to fake her own death. Convinced that is her only option, Sarah concocts a plan that will deal with Armond and have herself killed in the process.
