Reviews

This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Hardcover. Book Condition: New. Ships From Canada. Sewn binding. Cloth over boards. 160 p. Audience: General/trade. From the Publisher: As all travelers know, flying is no simple matter what irks you the most. Is it the horror of checking in? The struggle to jam your luggage into the overhead compartment? What about the constant fight with your neighbor over ownership of the armrest? Or the never-ending wait for your luggage to appear? And let's not even discuss the food. It's clear something isn't quite right up there in the clouds and down among the ground staff. So when one of the worlds's leading management gurus as of the airlines and airports from his personal experience, it is worth taking notice. And this is what he has uncovered. Change management turning passengers into sardines; customer service amounting to constant interruptions as you try to sleep; customer loyalty offering you air miles you can use on other airlines. These are just some of the many management ""techniques"" practiced in the skies wh.
