In a few short years, Mr. Chairman, the Internet has revolution-ized commerce in a manner few could have foreseen. Businesses have utilized the commercial potential of the Internet to reach out to customers in a digital national marketplace. These commercial opportunities have leveled the playing field by allowing small busi-nesses to avail themselves of a national market once reserved to a handful of major corporations. In 1998 Congress passed the Internet Tax Freedom Act. Contrary to popular misconceptions, this legislation does not exempt Internet retailers from collecting and remitting sales taxes. Rather, it only limits State authority to impose new taxes on Internet access, and it..
