MEMOIR OF EMILI-ROSE: CELEBRATION OF A JOURNEY (PAPERBACK)

DOWNLOAD

AUTHORHOUSE, United States, 2006. Paperback. Book Condition: New. 198 x 128 mm. Language: English . Brand New Book. Memoir of Emili-Rose is set in a time that represents one of the nation s most socially regressive eras. For Emili-Rose, times could not have been worse. She was the victim of a society that afforded her few opportunities. She was black, female, and like most rural African-American children, the product of a society that provided her parents and community too few economic and political prospects for change. Even though the book depicts the victimization of Emili-Rose, on the contrary, it celebrates her strength, her character, and her daring faith to believe that her life was not preordained by those who would thwart her progress. Memoir of Emili-Rose is about an incredible life-spirited child who shows by example, that by refuting ill-suited labels, you win. The book proves that ill-suited labels can rob and weaken one s spirit, take away courage and creativity, and dim hope. Moreover, ill-suited labels can leave the human spirit in a perpetual state of confusion. In her book, her life challenges a preordained fate of social subjugation that was so real during these times. Young Emili-Rose believed she could and she did. Her life is her testimony and it makes its case against the mockers.
