

## Malibu: Hiking Along the Meaning of Life (Paperback)

By Michael Banks

iUniverse, United States, 2004. Paperback. Book Condition: New. 211 x 140 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Malibu is a hiking book about the natural beauty and ecology of Southern California. It combines philosophy with a love of nature and California's unspoiled coastal beauty. It is also a tragedy, as that landscape is torn up and paved over for progress, and Malibu is reduced to just another celebrity suburb of L.A. Malibu is a mixture of a West-coast Walden and a modern day In Praise of Folly. It is an epiphany and a lament, lyrical and ludicrous. It extols the virtues of a surfer's life and decries the illth of modern materialism. It is a polemic on the core values of modern life and challenges the premises of our everyday lives. Malibu invites you to read this book and take a hike.

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

-- **Ally Reichel**

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You won't feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*
