SAGE Publications Ltd. Paperback. Book Condition: new. BRAND NEW, Boys Get Anorexia Too: Coping with Male Eating Disorders in the Family, Jenny Langley, 'The book is immensely reassuring to any parent who has experienced at first hand the problems that a young boy already caught up in the maelstrom of adolescence can both experience and cause when anorexia arrives. Any parent or carer concerned about a boy who may be developing or has already developed an eating disorder will find this book useful and supportive even when it is talking about the most difficult problems that affect sufferers and their families' - Signpost 'This is a detailed observational account of severe Anorexia Nervosa in a boy, and the effect on his family. It documents their emotional and torturous journey through treatment back to full health. The descriptions of the disorder are written without jargon and with great accuracy. This is truly a book that adolescents, their families, and clinicians should read' - Dr David Firth, Consultant Child and Adolescent Psychiatrist "Boys don't get anorexia' is a phrase that any parent who is concerned about a son who is losing too much weight or exercising excessively will hear at some time or other.
