When Sam discovers wedding cards containing thinly veiled death threats, she s not sure if she or Nick is the target. Already on edge, Sam and her team start investigating a series of baffling murders. The victims are well-liked with no known enemies, and the murders are carried out in a clean and efficient manner. Unable to find a clear motive for the deaths, Sam feels like she s chasing her tail. With no obvious connection between the victims, Sam soon suspects that she may be the ultimate prize in the killer s clever game.
