Reviews

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.

(Rene Olson)

INFLECTION

Spurbuch Verlag Okt 2014, 2014. Taschenbuch. Book Condition: Neu. 241x200x15 mm. Neuware - Herausgeber: Jonathan Russell, Ariani Anwar and William Cassell Expertenrat: Dr. AnnMarie Brennan, Prof. Gini Lee, Prof. Alan Pert What is Inflection On a prosaic level, Inflection is the new student-run journal of architecture and the built environment from the Melbourne School of Design and published by AADR Art Architecture Design Research. Inflection is a themed journal, to be published annually and features work from students, academics and practitioners. Crucially, Inflection is also a physical object an artefact to be touched, handled and read in depth. At a time when our engagement with architectural ideas is increasingly digital and transient, Inflection offers a different, slower form of discourse and in doing so, hopes to facilitate and engage in conversations about the built environment both locally and internationally. In this issue, the word inflection serves as our point of departure. The authors featured here enter into conversations on edge conditions, ambiguous boundaries and the role and nature of transitions. Individually, the pieces collected here stand as insightful variations on a theme. Taken together, they form something much richer: a constellation of ideas to be parsed, discussed, compared and expanded upon. INFLECTION is a space to gather and share ideas. INFLECTION is a home for provocative thought. INFLECTION asserts the value of the printed word. INFLECTION values the discursive voice of students, academics and professionals. Like all journals, all change starts somewhere. INFLECTION starts here: we leave the change to you. Features: Bernard Cache John Wardle Architects + NADAAA Peter Malatt of 6° Architects Alex Selenitsch RCR Architects 128 pp. Englisch.
