

The Tao of Holism: A Blueprint for 21st Century Living

By Howard Jones

John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, The Tao of Holism: A Blueprint for 21st Century Living, Howard Jones, With current corporate economics, the environment is being depleted and destroyed at an unsustainable rate, but abandoning the quality of life offered by advances in science and technology to return to some primitive lifestyle, is not a realistic option. "The Tao of Holism", a blueprint for 21st century living, is a source of factual and statistical data on many topics of widespread concern - health, nutrition, education, economics, religion, breakdown of society, depletion of the environment's resources and exploitation of third world communities, with opinions from a number of experts in each field. This book aims to inform opinion makers to influence society and governments and empower people to live within our environmental resources, outlining the steps we must take as individuals and societies to live holistically and safeguard the planet to ensure economic stability and environmental preservation.

Reviews

These kinds of publication is the greatest pdf available. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.
