BIRD TALES: A PROGRAM FOR ENGAGING PEOPLE WITH DEMENTIA THROUGH THE NATURAL WORLD OF BIRDS

Health Professions Press,U.S., United States, 2013. Microfilm. Book Condition: New. 292 x 221 mm. Language: English . Brand New Book. Bird Tales is an easy-to-implement therapeutic programme that uses multisensory stimulation and the natural outdoor world of birds to help people living with dementia interact with their environment and share a meaningful experience with others. Observing birds through sight, sound, smell and touch can encourage staff and family interactions even in elders with advanced dementia, and lift their mood for the rest of the day! Bird Tales tells you how to create a healthier, more attractive environment at your facility or home, while promoting your participants engagement with their environment and providing them with an easy, comforting way to share a moment with others or reminisce about something they ve enjoyed doing in the past. Now, with this training DVD plus accompanying step-by-step programme guide, you will have the tools and information you need to start your own Bird Tales Program! Developed by a dementia care expert and an environmental specialist from the Audubon Society, Bird Tales includes:* Captivating video footage demonstrating the best ways to engage participants in a range of Bird Tales activities * Instructions for improving your outdoor environment to attract native birds and maintain a healthy outdoor space * Tips for training facility and activity staff * Solutions for unexpected behaviours or challenging situations that might arise during Bird Tales activities * Lesson plans with suggested themes, venues, modifiable activities, and educator scripts * Bird Tales Activity Cards use right from the programme guide or go the provided URL to print and laminate Each Bird Tales Activity Card has a beautiful, full-colour photo of a common bird on the front and look, listen, feel tips on the back. These large vibrant bird photos bring the birds...
